Dear Sir/Madame,

**RE: NOTICE OF PUBLIC ADVERTISEMENT OF PROPOSED ROAD DEDICATION
(UCL LAND) – CARRABIN SOUTH ROAD, WESTONIA SHIRE.**

It is hereby notified for public information and comment that the Shire of Westonia is proposing to have portion of Unallocated Crown Land bounded by Carrabin Bin Road, Carrabin South Road, Lot 984(Carrabin Nature Reserve) and Goldfield Road, Carrabin dedicated for purpose of road reserve for provision of a new road servicing Carrabin South Road and the Carrabin CBH facility.

Details of the proposal are available for inspection at the Council Administration offices, Wolfram Street, Westonia, between the hours of 8:30am and 5:00pm, Monday to Friday, or alternatively on Councils website www.westonia.wa.gov.au.

Submissions on the proposal may be submitted to the Council in writing on or before 5:00pm Wednesday 18th February 2015.

In an attempt to provide further explanation and background to the aforementioned proposal, Council in conjunction with Main Roads, CBH and the Dept of Parks and Wildlife have identified several Black Spot traffic issues getting access to the Carrabin Bin site and the Carrabin South Road. Engineers have provided an alternate route to remedy these issues.

In order for this to be achieved Council needs to have some ownership and control of the land and in discussions with the Department of Lands the simplest way of achieving this is for Council to seek dedication of a 30 metre portion (total clearing allocation of 2.48ha) on the Unallocated Crown Land located immediately north of the A Class Reserve Lot 984, as road reserve to provide safe access to the CBH Receiving Point and to South Carrabin Road.

See attached copy of the advertisement and site plan showing that the proposed road closure will not affect any surrounding landholders.

“A Golden Heart”

In accordance with Section 58(3) of the Land Administration Act 1997, Council advertised the proposed closure in the *Western Australian* newspaper published on Wednesday 14th January 2015 calling for public comments on the proposal within a 35 day period, which expires on Wednesday 18th February 2015.

I am writing to you in case you did not see the notice in the *West Australian* and to seek the Department's comments on this proposal.

If you have any questions or seek further clarification on this matter, please do not hesitate to contact me.

Yours sincerely,

JAMIE CRIDDLE
CHIEF EXECUTIVE OFFICER
