Thank you to the Volunteers who offered to do a few extra shifts, to cover while others were away or unable. It was greatly appreciated.

The Hood-Penn Museum has been successful, in obtaining Grant Funding, thanks to Westonia Progress Association. New life like mannequins will be made by special effects company SharpFX, with new scenes and costumes for the mannequins. We look forward to getting started on this project and hope there will be some willing volunteers, to help out with busy bees, bringing this project to life.

Works Around Our Shire

Cemetery

The town crew have continued to undertake improvements to the Cemetery surrounds with landscaping, synthetic grass and pathway upgrades improving the aesthetics of the grounds. A special mention to Steve, Mick, Jack & Boyd for this excellent work.

2019 Winter Grading

Roadworks

The bulk of the roads crew have concentrated their efforts on winter grading roads whilst conditions are good.

Attached is a map showing which roads have been completed (marked up in blue).

The gang are currently on Echo Valley Road heading North to complete the roads in the far north of the shire.

Trucks have continued to cart gravel on construction jobs and have recently completed a 2Km section of Boodarockin Road.

Recycling

Due to the community supporting the recycling station concept Council have organised for the Cardboard only bin to be swapped out for another Co-mingled bin. These bins take all recycled products so Council encourage everyone to continue sorting their waste.
