## HOW DO I .. ?

...report an unsightly property?

We all share a responsibility to keep our own property neat and tidy. This is especially so heading into summer, when long grass and rubbish can pose a fire hazard. Under Council's Local Laws, property owners are required to maintain their properties so they are not unsightly, dangerous or detrimental to the amenity of the neighbourhood. If you have concerns about an unsightly property in your neighbourhood, please contact us. Shire staff will inspect the property and, if found to be unsightly, will ask the property owner to clean it up. Fines are applied if the property owner ignores the initial request to clean up.
