EX-TROPICAL CYCLONE SEROJA

Westonia has fared reasonably well through the onslaught of ex-tropical cyclone Seroja with extensive wind and rain causing hundreds of trees to go down throughout the Shire. The Works crew has been working tirelessly to remove fallen trees from roads to allow traffic to get through. We would like to thank the many farmers who have assisted in the clean up, a clean up that will go for days. Please have patience as we get to all parts of the 3,300 square kilometres of the Shire. Please let the shire know of any damage so that they can co-ordinate their relief effort
