

COUNCIL TO COMMUNITY 23rd July 2021

Fire Breaks Order

Council has responsibilities under the *Bush Fires Act 1954* to ensure that landowners have cleared fire breaks and removed flammable materials from their land according to the instructions outlined in the Shire's annual Fire Break Orders.

The requirements of the Orders are considered the minimum standard for fire prevention not only to protect individual properties but the district in general.

The requirements of the Orders are in addition to and do not detract from any other requirement under any other written law or legislation.

Fire Break Orders will be distributed with the annual rates notices to rate payers which will occur in July 2021

All rate payers are reminded NOT TO THROW AWAY their Fire Break Orders. Rate payers should keep the Orders in a safe place and ensure that they review the Orders to see what requirements are necessary to ensure their property is adequately prepared for the bushfire season which will commence from 1 November 2021.

All rate payers should note that where their property has been found to be in breach of the requirements of the Fire Break Orders (inspections are carried out by the Shire annually) then they may be issued an infringement.

To obtain further information read the Shire's Firebreak Notice, contact your local Fire Control Officer or contact the Shire Office on (08)90467063

Roadworks update

The construction crew have been frustrated with the continual wet conditions but have nearly completed the gravel re-sheeting job on a section of Rabbit Proof Fence Road between Leeman & Lane Roads.

Some CLOWN drove a wide gap implement on Rabbit Proof Fence during a wet conditions road closure on Tuesday 20th July, which will require a second grade to remove the deep rutting. The same VILLAGE IDIOT also destroyed all of the marker cones identifying the gravel heaps left on the road. Council and its workers get pretty frustrated when inconsiderate road users ruin the good workmanship of getting the roads into good shape for all users.

Would be happy for the CLOWN to own up and pay restitution for the repair works? Highly Unlikely!!!!

Please respect the roads by keeping to the left and reducing the use of heavy vehicles when roads are in a wet condition.

The graders have covered a fair amount of ground with winter grading of all gravel roads within the shire likely to have received a winter grade within the next fortnight.

CERTIFIED CUSTOMER SERVICE EXCELLENCE PROGRAM

WEROC Inc would like to advise that this training day to be held on Tuesday the 27th of July has been **Postponed** due to unforeseen circumstances, all participants will be notified of the new dates soon as possible.

All Road Users
