

## Congratulations to the 2023 WA Rural Health Excellence Awards- People's Choice category: Laura Black

Rural Health West and [WA Country Health Service](#) are delighted to announce the Winner of 2023 People's Choice award.

Laura Black has been working as a Nurse Practitioner for more than a decade, serving the Westonia community at the Westonia Shire surgery, conducting home visits and hosting weekly primary health clinics. Laura is a well-regarded member of the community, carrying out weekly home visits to the elderly and vulnerable. She also works as a patient liaison, providing support for visiting GP Dr Olga Ward and other health providers. Patients have commended Laura for her caring and trustworthy nature, persistence, and attention to detail in helping to improve the overall wellbeing of the Westonia community. She has worked tirelessly as the liaison between local patients and health practitioners, as well as organising seminars to help the region's ageing population continue to live independently.

Laura's support to the local community means patients do not have to trek up to 50kms to the nearest GP for wound care, minor illnesses, immunisation, and assessments.

Congratulations Laura!

## Bowls Stadium Project

Progress has really ramped up on the new Bowls stadium with the steel structure being constructed this week and cladding being installed next week. The club will continue with the removal of the old green surface and minor earthworks in ready for the installation of the new synthetic green which is likely to be installed early May.

## Bushfire Safety Awareness Training for Volunteers

As advised previously Council are eager for registered volunteers of our local bushfire brigades to acquire a minimum training standard.

A 1 day Bushfire Safety Awareness Course has been arranged locally to be held at the Old Miners Hall between 8am - to 4pm on the following dates

Tuesday 21st March

Wednesday 22nd March

Thursday 30th March

Can you please register by ringing Chantelle at the Shire Office on 9046 7063 for one of these dates that suits you. All catering is provided on the day.

An additional Fire Control Officers Course will be held for FCO's and aspiring FCO's on Friday 31st March.

All volunteers are strongly encouraged to undertake the course as the new OH&S responsibilities imposed on Council may require the removal of untrained volunteers from the brigades list which currently provides insurance cover to the individual at a fire event.

## Community Art Painting Day RAC Streetscape Main Street Project

Monday 20th March 2023

10 am - 4 pm

Interested in being involved in painting murals on the Westonia Coop windows and the little shop between the Coop and the Café?

Artist Tammi de Rooy will be painting murals on the Westonia Coop windows based on a local orchid theme and painting murals on the little shop based on a WT Agencies Hardware theme between Sunday the 19th of March and Wednesday the 22nd of March. She will then return to finalise all details on the murals in April.

There is no need to RSVP, just turn up when it suits you between 10 am and 4 pm on Monday the 20th of March. All equipment is supplied and you don't need any painting experience at all.

Tammi grew up around Mukinbudin and created the awesome mural on the Sippe's Hardware building in Mukinbudin. She is pictured above working on the Mukinbudin mural and you can check out her work at [tammiderooyartist.com](http://tammiderooyartist.com) or at [facebook.com/tammiderooyartist/](https://www.facebook.com/tammiderooyartist/).

# ROADWORKS

Road users are advised that the following roadworks will cause traffic delays from next Monday 20th March for a period of time

Warralakin Road - 4.6km of new bitumen sealing works will commence likely lasting the full week. Traffic management will be in place.

Nth Boodarockin Road - new culverts will be installed on the Baladjie Lake floodway which will require the road to be closed for a period of 2 weeks.

## FUEL DEPOT

The Westonia Progress Association new fueling depot is progressing well with the underground tank having a refurbish and pressure test. New bowser and OPT (swipe card terminal) has been ordered with installation of the project proposed for early April.

## OVAL STAGE AND SHELTERS

Council staff have also been busy with the repurposing of the old bowls shelters by fabricating a permanent stage and shade shelters on the eastern Edge of the Town oval in preparation for the forthcoming Wessy on the Green event. This has been a very clever reuse of the structures and will increase the amenity at the oval.
